Thank You for Your Donation

The band program at Central High School is an all-inclusive program that welcomes students in concert band, jazz band, marching band, color guard, and percussion ensembles. We are very proud of our music students!

The Central High School Marching Warriors is an up-and-coming marching band in Mesa County Valley School District 51. There are currently approximately 100 students in the Marching Band. These students are highly dedicated musicians and their hard work and dedication is evident every time they take the field for a performance. At the 2015 State Marching Band Competition in Fort Collins, they competed in Finals for the first time since 1999 and placed 8th overall in Division 4A for the State of Colorado.

The concert bands and jazz ensembles have earned Superior ratings at festivals around the region and the state. In 2015, the CHS wind ensemble was one of 28 ensembles that qualified for the state concert band festival.

The band program at Central High School provides camaraderie, discipline, and appreciation of music and hard work in order to make one successful and cohesive unit of students.

Our main source of funding for the band program has been a weekly bingo session run by parent and student volunteers. Unfortunately, proceeds from bingo for all local organizations has dropped considerably. In 2015, our proceeds dropped to less than half of what we had received in prior years. In 2017, we quit our bingo session because we were losing money.

In order to continue supporting the band program at Central High School, we are looking for corporate sponsorships to help take these students to the next level.

If you are interested in sponsoring our band please make donations payable to:

| State Trip-concert band | <u>\$75.00</u> | |
| TOTAL | \$635.00 | |
| Additional without sponsors/fundraising/bingo | \$350.00 | |
| STUDENT FEES (future) | | \$985.00 |

*Please note on average a marching band season costs estimated \$75,000.00-80,000.00 the above figures are based on a season without instrument and equipment being purchased. If based off a higher season cost fees could go up to \$1,165.00

For 2018 season we lost all funding from our bingo sessions, we were not making any profit and had to close our session.

We are currently in need of raising money for our 2018 season, as well as purchasing new tux jackets, purchasing new instruments to replace old/broken instruments.
