

CHS BAND MARCH-A-THON

An example of something to say when selling this fundraiser:

“Hello my name is _____, I play _____, and I am a member of the Central High School Marching Warriors. Our band is putting together a March-a-thon and I am working to pay off my band fees so I can continue to participate in marching band in the future. Our March-a-thon will be held from 8am-5pm on Saturday August 25th at the CHS marching rehearsal field. If you are interested in helping out by sponsoring me I am also competing to raise the most money for myself and my section! You may contribute at any level you like, though my goal is \$5 per donation.”
