

Dear parent/guardian—

Congratulations! Your child has been selected to the 2019 WSCBA Honor Jazz Festival—this is a great honor and will be a fantastic musical experience for all of the students involved.

WSCBA Honor Jazz Festival is January 11th and 12th, at Colorado Mesa University. I will be driving these students to this event. The students will be in great care!

I have attached a specific itinerary below. Students will depart in the afternoon on Friday January 11th from CHS and the even will finish on the evening on Saturday the 12th.

Students need to have money for *three meals*—dinner Friday evening and lunch and dinner Saturday.

All in all—this should be a fun and easy trip for the students! Please let me know if you have any questions.

- Students should bring their music for rehearsal. Originals will be provided at the event.
- Brass players- make sure to bring all mutes. None will be provided
- Auxiliary players- bring everything you need EXCEPT vibes.
- Rhythms players- amps, drumset, cymbals and throne will be provided. Please bring all appropriate sticks, pedals, cords, etc.
- We are GUESTS at Colorado Mesa University. We need to treat all of their equipment and spaces with the utmost respect.
- Be on time for all rehearsals
- Concert attire is that for your regular concerts
- Red Band – Recital Hall; Blue band- Band room; Intermediate Band- Black Box; Advanced band- Robinson
